SENATE CONCURRENT RESOLUTION

A CONCURRENT RESOLUTION urging the legislative council to establish a joint committee on the reform of Medicaid long-term care and to refer the study of long-term care and community based alternatives to the said committee for review and approval.

Whereas, it should be a priority of the State to ensure that people can stay in their homes and under the care of their families until that is no longer a feasible option; and

Whereas, the State should consider a cost-effective Medicaid system that offers a wide array of long-term care choices; and

Whereas, barriers to home-care exist in state law and administrative rule; and

Whereas, family care-givers need the assistance of government for their medical, financial, and emotional support; and

Whereas, the nursing home industry may need incentives to develop alternatives to our current institutional care system; therefore

Be it resolved by the Senate of the General Assembly
of the State of Indiana, the House of Representatives concurring:

1 SECTION 1. That the legislative council is urged to establish a
2 joint committee on the reform of long-term care and to direct the said
3 committee to review and determine whether to approve the reformation
4 of long-term care proposals created by the division of disability, aging,

1 and rehabilitative services; the division of family and children; and the
2 division of mental health and addiction.

3
4 SECTION 2. That the committee if established, shall operate
5 under the direction of the legislative council.

6 SECTION 3. That the committee, if established, shall analyze and
7 examine the proposals set forth by the division of disability, aging, and
8 rehabilitative services; the division of family and children; and the
9 division of mental health and addiction.
